[1] Ford Connectivity Package included for one-year from warranty start date. Requires activation via Ford app with credit card authorization; customer may cancel at any time. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer’s data plan.

[2] Select option for a one-time purchase of Ford Connectivity Package. Ford Connectivity Package will be active for 7 years on this vehicle (non-transferrable to another VIN) from warranty start date. Requires activation via Ford app. Not available for fleet orders. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer’s data plan.

[1] Select option for a one-time purchase of Ford Connectivity Package. Ford Connectivity Package will be active for 7 years on this vehicle (non-transferrable to another VIN) from warranty start date. Requires activation via Ford app. Not available for fleet orders. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer's data plan
